# Independent Auditor'S Report

To the Commissioners of Saint John Aquatic Centre Commission

# Report on the Audit of the Financial Statements

## **Qualified Opinion**

We have audited the financial statements of the Saint John Aquatic Centre Commission (the "Commission"), which comprise the statement of financial position as at December 31, 2022, and the statements of operations and annual deficit, changes in net debt and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Commission as at December 31, 2022, and the results of its operations and annual deficit, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards ("PSAS").

# Basis for Qualified Opinion

In September, the Commission lost access to Max Galaxy, their software platform for managing revenue via registrations and memberships, and, as a result Membership, Facility Rental, and Instructional Programs were not susceptible to satisfactory audit verification prior to September. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Commission.

Therefore, we were not able to determine whether any adjustments might be necessary to revenue, excess of revenues over expenses, and cash flows from operations for the years ended December 31, 2021, current assets as at December 31, 2021, and net assets as at December 31 for the 2021 year. Our audit opinion on the financial statements for the year ended December 31, 2022 was modified accordingly because of the possible effects of this limitation in scope and the carry-over impact.

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Commission in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Commission's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Commission or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Commission's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Commission to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

| -  |           | 1,000     |

The accompanying notes are an integral part of the financial statements.

Notes to the financial statements

December 31, 2022

#### 1. Nature of operations

The Commission is a not-for-profit organization incorporated in the jurisdiction of the Province of New Brunswick to promote physical fitness for the residents of Saint John and the adjacent communities of Grand Bay – Westfield, Quispamsis and Rothesay. The Commission qualifies as a Municipal Commission and therefore is exempt from income taxes under the Income Tax Act.

#### 2. Summary of significant accountant policies

#### Basis of accounting

The Financial statements have been prepared by management in accordance with the Canadian generally accepted accounting principles for local governments, as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada.

#### Cash

Cash and cash equivalents consist of cash on hand, and bank balances.

#### Inventories

Inventory for resale is valued at the lower of cost and net replacement cost with cost being determined on the first in, first out basis. Chemicals and cleaning supplies are recorded at cost.

#### Capital assets

Capital assets are recorded at cost. Amortization is provided annually over a 10-year period using the straight-line method to write-off the assets over their estimated useful life.

#### Revenue recognition

Revenue is recognized when services have been provided and ultimately collection is reasonably assured at the time of performance. Membership and program revenues are recognized in the period to which the membership and programs apply.

Approved contributions from the Greater Saint John Regional Facilities Commission ("GSJRFC") are recognized in the period to which they relate. Deficit funding from the GSJRFC is recognized in the period a deficit is incurred.

#### Measurement uncertainty

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. Deferred revenue represents funds received in the current period that are designated for a subsequent period. Key components of the financial statements requiring management to make estimates includes provision for doubtful accounts in respect of receivables, the cost and net realizable value of inventories, accrued liabilities and the useful life and impairment of capital asset. Actual results may differ from those estimates.

Notes to the financial statements

| Accounts payable - trade              | 99,784  | 72,381  |
| Accrued sick leave                    | 44,293  | 49,479  |
| Wages payable                         | 38,965  | 23,564  |
| Payroll remittances payable           | 17,495  | 6,019   |
| Vacation payable                      | 7,830   | 19,386  |
| Accrued interest on interim financing | - NAME  | 1,918   |
|                                       | 208,367 | 172,747 |

#### 5. Greater Saint John Regional Facilities Commission

The GSJRFC was formed in 1998 by provincial legislation and consists of representatives from the City of Saint John and the towns of Rothesay, Quispamsis and Grand Bay-Westfield. The GSJRFC has the obligation to finance all the net operating expenditures of the Saint John Aquatic Center Commission. Net operating deficits or surpluses are recorded as due from or to the GSJRFC, to be received or paid within the second year after the deficit or surplus was incurred.

Amounts due from the GSJRFC to fund accrued annual operating deficit or surplus consist of:

|                              | 2022<br>\$ | 2021<br>\$ |
|------------------------------|------------|------------|
| 2022 surplus                 | 22,615     | _          |
| 2021 deficit                 | (214,148)  | (214,148)  |
| 2020 deficit                 |            | (392,493)  |
| Due from GSJRFC, end of year | (191,533)  | (606,641)  |

#### 6. Related party transactions

The Commission enters into transactions with the City of Saint John and adjacent communities during the year. All transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

During the year, the following amounts were received from or paid to the City of Saint John:

|   | 2022<br>\$ | 2021<br>\$ |
|---|------------|------------|
| Included in revenue   |            |            |
| Beach grant   | 176,984    | 173,514    |
| Parking revenue   | 18,410     | 22,372     |
| Contract revenue - Pedway maintenance   | 12,000     | 12,000     |
| Included in expenses  |            |            |
| Water & sewer   | 32,120     | 28,641     |
| Insurance   | 40,120     | 35,969     |
| During the year, the following amounts were received from the Town of Quispamsis: |            |            |
| Lifeguard & Swimming Instruction Services   | 160,000    | 132,000    |
| Beach grant   | 62,806     | 61,575     |

The balance accrued at year end relates to revenues and the purchase and reimbursement of capital items, is non-interest bearing and is anticipated to be received in the current period.

#### 7. Physical premises

The facility in which the Commission operates is owned by the City of Saint John. The Commission does not pay rent, however, it is responsible for the operating costs of the facility.

#### 8. Capital assets

|           | Cost<br>\$ | Accumulated amortization \$ | 2022<br>Net book<br>value<br>\$ | 2021<br>Net book<br>value<br>\$ |
|-----------|------------|-----------------------------|---------------------------------|---------------------------------|
| Equipment | 189,965    | 180,729                     | 9,236                           | 22,376                          |

# 9. Canada Emergency Wage Subsidy payable

In 2020, the Commission received government assistance of \$324,519 pursuant to claims filed under the Federal Government's Canada Emergency Wage Subsidy ("CEWS") program on the basis that the Commission met the eligibility criteria because of its registered charity status. By notice of determination dated April 22, 2021 issued by the Canada Revenue Agency ("CRA"), the Commission was advised that these claims were denied as CRA had determined that the Commission was a public institution and, therefore, not eligible for the subsidy. As a result, the CEWS funding has been presented as a liability as at December 31, 2021, however the liability was extinguished in 2022.

Notes to the financial statements

December 31, 2022

### 9. Canada Emergency Wage Subsidy payable (continued)

On March 3, 2022, the Commission received a Notice of (re)determination and Notice of (re)assessment from CRA for the amount of the denied CEWS claims. The reassessment totaled \$349,918, inclusive of interest charges. Subsequent to receipt of the Reassessment, the City of Saint John approved the payment of the reassessment total to avoid the accrual of additional interest charges. Following the City of Saint John's payment to the CRA, the remaining funding municipalities of the Greater Saint John Regional Facilities Commission paid the City of Saint John their respective portions of the CEWS liability and accumulated interest. When the interest was refunded, the municipalities were refunded their respective portions by the City of Saint John.

At the same time, the Commission filed, with CRA, a request for waiver of interest. On May 12, 2022, the Commission was informed that the request for waiver of interest was approved. On May 16, 2022, the Commission received the interest charges refund of \$26,635 from CRA comprised of \$25,400 paid by the City of Saint John and \$1,235 paid by the Commission.

#### 10. Comparative figures

Certain figures for 2021 have been reclassified to conform to the presentation adopted in 2022.

#### 11. Subsequent event

Effective January 1, 2023, the Greater Saint John Regional Facilities Commission is abolished and the Fundy Regional Service Commission is entitled to all records, property and assets, not including real property, used in the operation of the Greater Saint John Regional Facilities Commission.
